

## MISSION

To actively serve the people of the Campbell Park area; unlock the potential of young people, and provide high quality, compassionate and comprehensive services that contribute to the health and vitality of the community.

## PURPOSE

The **Cross** represents our Faith.  
The **Anvil** represents our Purpose.

**Cross and Anvil Human Services, Inc.**, is an initiative designed:

(1) to meet our human responsibility to provide help for those around us; (2) to keep us mindful of our social responsibility to be connected to the community we are privileged to serve; and (3) to let us not forget our personal responsibility to continue the rich legacy of Mrs. Iverta Martin Berry, Mr. Vearl Scott and many others, whose constant labor should never be forgotten.

**Cross and Anvil Human Services** has collaborated and formed a partnership with agencies that will educate, empower, and enrich our community. These services will be a mutually beneficial gift to the community and from the community back to us. It represents a service after the gift is opened and it's purpose is to serve the receiver of the gift. It reminds us that our labors and sacrifices will accomplish something victorious.

*"Service to others is the rent you pay for your room here on earth."*
